

October 9, 2017

Dear Atlantis Academy Families,

Atlantis Academy schools and programs were closed for seven days in preparation for and cleanup following Hurricane Irma. The makeup days outlined below were approved based on a variety of factors including consideration of local school districts. Additionally, makeup days were selected in consideration of students, families and staff commitments for vacation and holidays scheduled around the school calendar and also reflect input from employee group representatives. Each approved plan meets requirements set forth by the state of Florida and our accrediting agencies.

Atlantis Academy Coral Springs

Two previously scheduled early release days – October 19, 2017 and December 22, 2017 – will be utilized as makeup days.

Atlantis Academy Miami

Two previously scheduled teacher planning days – September 21, 2017 and October 2, 2017 – will be utilized as makeup days.

Atlantis Academy Palm Beach

Three previously scheduled professional development days for teachers – November 7, 2017; December 21, 2017; and March 16, 2018 – will be utilized as makeup days.

If you should have any questions, please contact your campus directly.

Sincerely,

Mark DiConsiglio
